

PADMAN STOPS

ISO 14001:2015

ENVIRONMENTAL POLICY STATEMENT

Padman Stops Environmental commitment has been established to meet the requirements of providing a professional system, by developing and implementing procedures and processes to meet both our company and our client's expectation.

Our senior management at Padman Stops are committed to ensure that protection of the environment is firmly embedded in both the company's and all employees' culture and will endeavour to influence its suppliers and customers in a similar strategic environmental manner.

Padman stops have committed to Conducting Environmental Measuring and inspection throughout the site to ensure we meet our commitment to our Employees and customers and contractors alike.

Prevent pollution, reduce waste and minimise the consumption of resources.

Consider the wider global impact of all our activities including those of our supplier's customers and other stakeholders.

Educate, train and motivate employees to carry out tasks in an environmentally responsible manner and ensure that a continuous professional development strategy remains core to our business goals.

The company is committed to continual improvement of environmental performance. This Policy will be communicated to all staff, contractors and suppliers, and be available to the public through social media.
