

PADMAN STOPS

ISO 9001:2015

QUALITY POLICY STATEMENT

Padman Stops have committed to providing customers with high quality products and services which meet their custom requirements and expectations in innovative irrigation solutions.

Development of systems that align to customer expectation & compliance standard of ISO9001: 2015.

This is achieved by implementing sustainable processes and by training of staff and contractors.

Promoting the culture of continual quality improvements and the philosophy of getting things "right first time".

Measuring Quality outcomes.

Rigorously pursuing all justified customer complaints to obtain outcomes to the customers' satisfaction.

Developing sustainable and mutually beneficial relationships with suppliers to achieve Quality outcomes.

Rigorously controlling the supply of all products to ensure delivery in full and on time.

Promoting the quality management systems and ensuring implementation is achieved by internal auditing, management review, corrective and preventive action.

Everyone is responsible for the quality within the company and for maintaining high standards, through the commitment to maintaining Padman Stops core values.
